THE BLUE AND WHITE

Music by David Sherer and Ziggie Hurwitz
Words by Shirley Johnson and Lynn Foard
Class of 1954

Blue and White let come what might, we shall remember Thee.
We all shall sigh as we bid goodbye to the halls full of memory.
Going forth to meet life's challenge and the battles yet unfought.
We shall live by Thy good spirit, and the honor we were taught.

Dress of white and cape of blue we owe so much to you.
We would do the thing that would bring you fame, and be always
good and true.
Send us forth with Thy great blessings to be servers of mankind.
Dear Cabarrus we would ever make Thy guiding light to shine.

Light to shine.

In Dedication

For your guidance and understanding, we dedicate this year's Cap'N Pin to you. You have done much to mold us into the professional nurses of tomorrow. We, the class of 1991, do hereby dedicate the 1991 Cap'N Pin to, Bobbie Dellinger.

In Appreciation

For your time, talents, and ability to teach, we, the CMH Class of 1991, extend our appreciation to you, Elizabeth Baucom.

The Nurse's Pledge

I solemnly pledge myself before God and in the presence of this assembly, to faithfully practice my profession of nursing. I will do all in my power to maintain the highest standards of my profession. I will hold in confidence all personal matters committed to my keeping in the practice of my calling. I will skillfully assist the physician in his work and will devote myself to the welfare of my patients, my families and my community. I will endeavor to fulfill my rights and privileges as a good citizen and to take responsibility in promoting the health and welfare of my community. I will continually strive to increase my knowledge and skills in nursing and to use them wisely. I will zealously seek to nurse those who are ill wherever they may be and whenever they are in need. I will be active in assisting others in safeguarding and promoting the health and happiness of mankind.

-Adapted from "The Nurse's Pledge"
by Marion G. Howell, R.N.

A Nurse's Prayer

Because the day that stretches out for me
Is full of busy hours, I come to Thee
To ask Thee, Lord, that Thou wilt see me through
The many things that I may have to do
Help me to make my beds the smoothest way.
Help me make more tempting every tray.
Help me to sense when pain must have relief.
Help me to deal with those borne down by grief.
Help me to take to every patient's room
The Light of Life to brighten up the gloom.
Help me to bring to every soul in fear
The sure and steadfast though that Thou art near.
And if today, or if tonight, maybe.
Some patient in my care set out to sea
To face the great adventure we call death.
Sustain the, Father, in their parting breath.
Help me to live throughout this live-long day
As one who loves Thee will, dear Lord, I pray;
And when the day is done, and evening stars
Shine through the dark above the sunset bars.
When, quite weary, I turn to seek my rest,
Lord, may I truly know I've done my best.
